REGATTA WINNERS

ACTIVITIES AROUND VENICE THIS SUMMER

MANAGER'S REPORT

We will be doing a maintenance trim of the mangroves at the end October. This is when the growing season stops.

Hurricane preparedness handouts are ready you may pick them up at the office. To go along with this if your contact information has changed please notify the office.

Reminder for the laundry area to clean up after you use the machines. Especially if you wash and dry large items like rugs, blankets etc. Clean out the filters also as needed. This has been an ongoing problem. Clean up after yourself so the next person doesn't have to.

Red tide has hit us hard this year. It has lasted longer than usual. Hopefully will disperse soon. Still ongoing we have good days and bad days depending on which way the wind is blowing.

We will be adding mulch to the Common areas in time for the holidays to insure everything is looking nice.

Of course this time of year is Budget time. Management is working on the preliminary budget to present to the Board in October. Looks like no increase in monthly assessments for 2019.

The end of summer is approaching fast. Looking forward to seeing everyone soon.

Tom Wisdom-Harbor Lights Mgmt.

REMINDER:

Check the clubhouse for packages.
The delivery men have been leaving
them there (like during the holidays),
without notices.
